

# VOCAMOTIVE

Vocational rehabilitation may include, but is not limited to:

Counseling for job searches, supervising a job search program, and vocational retraining including education at an accredited learning institution.

# ETHICAL ISSUES

- Counselor ethics in an adversarial system.
- Evaluation/Placement when medical is disputed.
- Opining based upon invalid FCE.
- Transferable skills analysis.

# SYSTEM INTEGRITY

- Soft Science.
- Weaponization of vocational rehabilitation.
- Do YOU respect the process and the provider?
- Who are we here to help and how do we do it?
- What is the benefit? To whom?

Where do we go from here?
